## **About Lurie Children's**

Ann & Robert H. Lurie Children's Hospital of Chicago is a charitable 501(c)(3) tax-exempt organization that depends primarily on philanthropic support to advance our programs, services and research to help more children and families in need.

The future of Lurie Children's is built on the generous spirit of donors who support the hospital in a variety of ways. Your support will ensure that Chicago's children receive the very best medical care through access to the finest specialists and most advanced scientific research in a family-centered environment conducive to healing. All donations are 100% tax deductible.

# **Matching Gifts**

Many companies offer matching gift programs to encourage employees to contribute to charitable organizations. Most of these programs match contributions dollar for dollar, and some will double or even triple the amount of your gift!

To find out if your company will match gifts to Lurie Children's, please search for your employer at: <a href="http://luriechildrens.org/matchinggifts">http://luriechildrens.org/matchinggifts</a>

Obtain and fill out your company's matching gift form (usually available at your Human Resources department) and include it with your payment.

If you do not find your employer through this search, please check with your company to see if it offers a matching gift program that will match your gift. If your employer requires an Employer Identification Number (EIN) (i.e. Federal Tax Identification Number), please use 36-3357006.

#### Children's Circle of Care

Children's Circle of Care (CCC) is a distinguished group of leading benefactors of 25 prominent children's hospitals in North America, including Lurie Children's. This giving society is a network of philanthropists who are transforming the face of pediatric health care through gifts of \$10,000 or more to Lurie Children's in a calendar year. These leaders are honored through recognition on a dedicated donor wall, opportunities to be our guests at special events such as Chairman's Luncheons and Annual Meetings, and other engagement opportunities.

Through a generous gift at this level, members ensure that critically ill and injured children have access to the latest innovations in research, technology and care, delivered by leading specialists in pediatric medicine and science.
