Your Story

15px **B I U** **A**

As a nonprofit hospital, Ann & Robert H. Lurie Children's Hospital of Chicago depends on donations to provide a healthier future for every child. Your gifts can help fuel life-saving research, comfort kids during challenging procedures and provide access to world-class care for families in need.

I hope you'll help me reach my goal in support of the patients and families at Lurie Children's.

Here's how your donations can make a difference:

- \$100** is enough help make a child's hospital stay a more positive experience with activities, supplies and toys.
- \$250** can provide patients with the support they need to thrive after lengthy hospital stays.
- \$500** supports clinical trials to help discover new or more effective treatment options.
- \$1000** means we can train the next generation of specialists.

Box 1: The messaging on your fundraising page may be changed by pressing the pencil button labeled 1 in the image above. You may add/remove any of the pre-existing content that exists in the body, and when you are satisfied with any changes you've made, press the "Update" button with the green check.

Here is a Giving Day Template for you to add:

Please Support Giving Day

Your support of the Founders' Board Giving Day on Friday, March 1, 2024, will help raise critical dollars for the Lurie Children's Nurses and rally our community around our mission to provide a healthier future for every child.

Generous donors like you make prioritizing the support and well-being of our nurses possible. With your donation, we can continue to provide our nursing professionals with the tools and resources to maintain and enhance their professional credentials and ensure their ongoing health and emotional well-being, allowing them to bring their best selves to work in service of our patients and families.

Here's how your donations can make a difference:

\$10,000 can provide a Nursing Pathways Scholarship to a Lurie Children's employee to pursue their Bachelors of Science in Nursing.

\$7,500 can enable Nursing Directors to attend an annual retreat and take time away to support their own emotional well-being and maintain their joy in practice.

\$5,000 can renovate a RECHARGE room in one of our intensive care units for nurses to be able to step out after a particularly difficult shift to process their feelings and recharge before returning to the unit or their own families.

\$2,500 can provide on-site training for nurses to seek specialty care certification and recertification in their area of expertise without ever having to leave the building.

\$1,000 can support Lurie Children's presence in the community by increasing specialty clinic offerings provided by nurses in our mobile health units.

Box 2: You may edit the title of the body text which reads "Please Support My Efforts" by pressing the pencil labeled with the number 2.

Box 3: You may edit your fundraising goal by pressing the pencil labeled with the number 3.

Box 4: You may edit your page's main title by pressing the pencil labeled with the number 4. This is what your supporters will see first, so it should describe your organization, type of fundraiser, etc.

Box 5: You may edit the profile picture/logo image by pressing the camera labeled with the number 5. From there, you will be prompted to add an image that you can upload from your computer and crop accordingly.

Box 6: If you would like to change the banner image, which is currently a photo from the neonatal unit, you may do so by pressing the camera labeled with the number 6 and upload an image of your choosing.

*It should be noted that you may not edit the display name on the page which reads "Madeline Zandhuis" in this example.

Using your personalized URL

A personalized URL has been generated for you based on the name of your fundraiser. If you would like your personalized URL changed, please reach out to your Community Fundraising representative, and they would be happy to help you with any changes.
